

Hey Kids, GET CONNECTED!

Kid Connection is a group just for kids ages 8 to 12 that have brothers or sisters with a disability or special need!

Kid Connection will be held on Saturday, June 23 from 1 p.m. to 4 p.m. at the Daniel Island Medical Center Community Room, 900 Island Park Drive, Daniel Island.

If you have a brother or sister with special needs, Kid Connection is a safe place to talk and share your feelings.

A trained facilitator will lead children in a day-long (1 p.m. to 4 p.m.) workshop to explore their feelings and learn how to handle situations that may arise by having a family member with special health care needs. This free workshop (lunch is included) is offered by Family Connection of South Carolina. Space is limited, so please call Meagan Labriola at (843) 556-5010 to register today!

Also, for any more information, please call our toll free number at 1-800-578-8750.
